The Commodore Information Network

Congratulations on your purchase of the best computer equipment in the world! We at Commodore are dedicated to making your journey through the information world as easy as possible. We invite you to join, at no cost to you, Commodore's Information Network, a subset of CompuServe.

The Commodore Information Network will offer you a Hotline that you can access in those late hours when no one is around to help you, the next night there will be an answer in your "electronic mailbox"! Subscribers will be able to get current product information and technical assistance, or exchange tips with other Commodore owners.

Let's examine some of the features of Commodore's Information Network:

- 1. Commodore Hotline
- 3. User Bulletin Board
- 5. User Club Directory
- 7. Technical Support
- 9. *Program of the Month
- 2. Commodore Newsletter
- 4. Product Announcements
- 6. Programming Tips
- 8. Commodore Graphics
- 10. *Public Domain Software

To get started, you install your modem, follow the instructions in the CompuServe snap-pak (enclosed in this package), sign onto CompuServe and at the first prompt type:

GO CBM

The first hour of this network is **FREE!** If you like what you see, CompuServe has made it very easy for you to sign up as a norman and the Horo's what you do: sign on to CompuServe.
