**Q-Link software... FREE
First month's membership... FREE**

**... And you have everything you need
to take advantage of this special invitation!**

Dear Commodore Owner,

Here's your chance to peek into an exclusive club that does everything for members from setting them up with Chess partners to tutoring them in math!

It's Q-Link, the official online network for Commodore owners... and you're invited to join.

Start by popping the enclosed Q-Link disk into your disk drive and typing: LOAD"QDEMO",8,1

You'll be taken on a friendly tour of the Q-Link club and all the educational and entertainment activities open exclusively to members. Best of all, if Q-Link looks inviting, you can join right away because the software you need is already on the same disk you used to take your tour.

Next, take a look at the Members' Guide, which will lead you through the easy Q-Link sign-on steps.

Once you sign on, you'll find it's wonderfully easy to play Backgammon with a partner, shop for albums, find facts on

Beethoven, take a language course... and more! And all from the comfort of your home.

And, your first full month of Q-Link membership is absolutely FREE. So is one hour - each month - of Plus services. It's all spelled out in the Members' Guide. And it's all so easy...

Take the first step now and tour the Q-Link club. You don't need a modem to do it.

Sincerely,

A handwritten signature in cursive script that reads "Jane Keely". The signature is written in black ink and is positioned above the printed name and title.

P.S. There's never any risk. You may cancel your Q-Link membership at any time.
